

Secchi Dip-In 2016

Celebrate Lakes Appreciation Month with us!

July 1st - July 31st

Relax by the Water & Take a Dip!

Secchi Dip-In 2016 is approaching quickly and **we'd love your help to make it a success!** Planning to enjoy time by the lake this summer? A Secchi disk reading **takes just a few minutes**, is a great way to ensure those waters stay a healthy place to have fun, and is simple enough that **everyone can participate**.

The Dip-In is an international effort in which volunteers produce a "snapshot" of the transparency of water in the United States and Canada. Secchi disk readings can be submitted online at www.secchidipin.org or via the Lake Observer mobile app.
